Now we're Cooking!

Shalomites,

Old, new, short, tall ... Hi! Hope the year is starting off great! I hear there are a lot of new girls are on the hall! Well women this is the hall to be on!! I'm "Micki" by the way — or I can also be known as Michelle. I transfered back here to University of Hawaii and I miss the Shalom hall a lot.

University of Hawaii is big, but so far I haven't got lost yet!! Tell Rachel when someone sees her that I said congratulations (wedding). Cindy, I'll be writing to you soon. Kim, keep that hall in order. And everyone else "hi".

Be on the lookout for two boxes labelled Dana Bush (Micki) 1987 in the storage room. I'm still missing them. They contain baskets and my senior high school

Shalom, Shalom, you'll find Shalom
The nicest greeting you know
It means "bonjour," "salute," and"skoal"
And twice as much as "hello."
It means a million lovely things
Like "peace be yours"-"welcome home."
And even when you say "good-bye"
If your voice has I don't want to go in it
Say good-bye with a little hello in it
And say good-bye with "Shalom."

Shalom, Shalom, we've found Shalom
Our home while we're on the hill
It's filled with love and tears and joy
And friends that stay with us till
We've seen a million ~~happy~~ lovely smiles
And fostered friendships anew,
And even when we say good-bye
Though we know we must go
Still we'll always be
Sisters forever to stay are we-
We're always part of Shalom.

Is it unloyal because I still don't know the words after 4 years?

Violent Love!!!

I wanna make violent love to you.
I wanna have a date every night with you,
And kiss you in the pale moon light, whoop-idoo
I wanna make violent love to you.

Now, I don't wanna make you frantic,
And I don't wanna cramp your style.
But I'm in a panic-
You're drivin' me wild.

I wanna make whoop-i-doo with you,
And have a little boy like you, whoop-i-doo.
I wanna make violent love to you.
Don't you, don't you, WON'T YOU!??!
